Abundance

A night sky filled with stars, with a mountain range in the foreground. The mountains are covered in snow and are illuminated by a light source, possibly the moon, creating a soft glow. The sky is dark blue with many small white stars.

You never change things by fighting
the existing reality. To change
something, build a new model that
makes the existing model obsolete

Exponential growth towards RBE

KOTO COOP

People living in units gathering resources to start a new unit.

The diagram shows a globe with gears and a tree, with arrows pointing to a series of circles that branch out exponentially, representing growth. The text "Exponential growth towards RBE" is positioned above the diagram. To the right, the text "KOTO COOP" is written in a large, bold, serif font, followed by the description "People living in units gathering resources to start a new unit." in a smaller, sans-serif font.
